Understanding Property Tax Bills

For detailed information on how your property taxes are assessed, visit the State of Montana's [Department of Revenue webpage](#) or call the Assessor's Office at (406)357-3210.

Tax Payments

Your property taxes can be paid using cash, check, or credit card. We will need your Tax ID number or we can search by owner's name. If you owe delinquent taxes for prior years, you will need to call or come into the office to get the correct amount due as penalty and interest accrue daily.

Checks should be made payable to Blaine County Treasurer and mailed to PO Box 547 Chinook, MT 59523.

For questions on paying property taxes, call the Treasurer's Office at (406) 357-3280.

Credit Card Payments

We are now able to accept credit card payments through [Official Payments](#). To use this service, a convenience fee is charged. The fee is 2.75% of the total bill or a minimum of \$3.95.

Tax Protest

To pay your taxes under protest, your payment must be received by the due date. You are required to submit a [Letter of Protest](#) for each tax bill at the time of payment. Please be aware that your tax payment is processed immediately upon receipt; however the funds are not distributed until the protest is settled. Paying under protest allows you 90 days to take further action and it is the responsibility of the taxpayer to pursue any action.

Delinquent Tax Information

The [Delinquent Real Estate Tax Report](#) can be viewed here or a hard copy is available for inspection at the Treasurer's Office. We will print and mail the report for \$0.25 per page.

Each year in July, a TAX LIEN SALE is held. This is not an auction of property. It is when the county takes lien on the properties for delinquent taxes, setting a sale date for purchasing the tax lien sale certificates on the date of sale and to make the properties available for assignment.

Anyone interested in tax assignments and tax deeds should consult an attorney before investing time and money in this process.
