

Zurich Park Estimate for the following projects:

Estimate #1

- a. Fascia around building – matching the tin of the roof
- b. Three doors – to be replaced with metal doors and frames
- c. Building steps- north side handicapped access coming out to the east. Would like steps to be incorporated with handicap access & appropriate hand railing for each. Estimate needs to include the cost of a metal handicap ramp.
- d. Building steps – west side steps with appropriate hand railings
- e. Gazebo – steps to be replaced & any rock on wall missing to be repaired or replaced

Estimate #2

Separate estimate for the floor of the Gazebo will be included

Estimate #3

Separate painting estimate for wood trim of building will be included.
