**BLAINE COUNTY**  
**Job Description**

**CLASS TITLE:** Dispatcher

**DEPARTMENT:** Blaine County Sheriff's Office

**ACCOUNTABLE TO:** Sheriff - Undersheriff

**MUST PROVIDE:** Typing test certificate

**Work Unit Overview:** Dispatch Services is a consolidated communications center serving multiple jurisdictions and disciplines. The Center is a 24-hour, 7 day a week operation. Dispatch Services may provide support for law enforcement, fire, and emergency medical services in the County.

**Job Summary:** The dispatcher receives emergency and non-emergency requests for response via radio and telephone. The position determines priorities, dispatches law enforcement and other county units and maintains close contact with field units to monitor response progress and any needed support requirements.

**Essential Functions (Major Duties or Responsibilities):** *These duties are the essential functions and are not all—inclusive of all duties that the incumbent performs.*

- Monitor emergency and general support radio frequencies to ensure county employee and public safety and determine dispatch requirements.
- Receive emergency and non-emergency calls, including enhanced 911, and non-emergency calls from the public, dispatcher and law enforcement agencies via telephone, radio systems to gather required information, determine priorities of all calls and dispatch required units and/or agencies.
- Receive radio calls from field units to transmit messages via radio, telephone, computer, fax, or other communications equipment.
- Make inquiries of various sources to obtain requested information of services by phone or computer automated communication equipment.
- Maintain status and location control of all public safety personnel involved in department activities to ensure their safety.

- Confer with the public and/or supervising personnel to address questions, problems or requests for service or equipment.
- Dispatch the assignment of field units to route them to the scene of emergency and other situations.
- Create and maintain automated and/or manual records to document public safety communications activities using various computer systems, databases and mapping applications for data entry and information retrieval.
- Maintain appropriate security and confidentiality of information created or encountered in the performance of assigned duties.

**Non-Essential Functions:**

- May assist in the provision of on-the-job training for other positions using or serviced by the Dispatch Center.
- May train new hire dispatchers and submit progress reports and evaluation on trainees.

**Physical Demands and Working Conditions:** *The demands and conditions described here are representative of those the employee must meet to perform the essential functions of the job.*

- Work requires the ability to speak clearly, hear, physically manipulate radio, telephone, computer equipment and sit for long periods of time.
- Work is performed in a dispatch center and at times will involve a high-volume, fast-paced environment dealing with life-threatening situations via telephone or radio.
- Requires shift work with rotating days off, the ability to work overtime, a working home telephone or cellular phone that is on 24 hours a day and a reliable method of transportation available 24 hours a day.

**Knowledge, Skills and Abilities:**

- The job requires knowledge of public service activities; the organization, policies and methods of county government; rules and regulation of the Federal Communications Commission covering the operation of radio receivers and transmitters; the proper use and care of

radio and telephone equipment; basic mathematics; the English language, spelling and word usage; law enforcement and emergency response terminology and procedures; and the geography of the county including the locations of towns, cities and communities, major and minor roadways/highway and like information.

- The job requires the ability to communicate effectively verbally with other parties under stress; react quickly and calmly in emergencies; communicate clearly and concisely and relay details accurately; handle situations firmly, courteously, tactfully and impartially; recall numerous details and essential information; and determine priorities.
- The job requires skill in observing situations analytically and objectively and recording them clearly and completely; operating radio, telephone, keyboard, computer terminal and related communications equipment; creating and maintaining manual and automated logs and other records of public safety communications activities; reading and interpreting maps to determine locations, jurisdictional boundaries, etc.; and in the use of computer hardware and software.

**Education and Experience:**

- The job **requires** education and experience equivalent to a high school diploma or General Education Development (GED) certificate.
- Upon hire, the job requires attaining and maintaining access certifications for criminal history databases and associated communications systems.
